

Khalifa Ali bin Abu Talib - Conquest of Makkah

Address to the people

To the people assembled in the Kasba who witnessed the destruction of the idols; the Holy Prophet addressed as follows: "There is no god but Allah. He has no associate. He has today made good His promise that He had held to his bondman and helped him in fulfilling his mission. With the triumph of truth every claim of privilege, whether that of blood or property is abolished except that of the custody of the Kaaba and of supplying water to the pilgrims. Bear in mind that for anyone who is slain the blood wit is one hundred camels. O people of Quraish, God has abolished from you all pride of the time of ignorance, and all pride in your ancestry, because all persons are descended from Adam, and Adam was made of clay." Then the Holy Prophet, turning to the people said: "O Ye, Quraish, what do you think of the treatment that I should accord you?" They said, "Mercy, O Prophet of Allah. We expect nothing but good from you." Thereupon the Holy Prophet declared, "I speak to you in the same words as Joseph spoke to his brothers. This day there is no re-proof against you, go your way for you are free." This announcement was received with great joy and applause.
