

Khalifa Ali bin Abu Talib - Testament of Ali

Balance between yourself and the people

Son, make yourself a balance between yourself and the people. Whatever you like for yourself, like it for others. Whatever is undesirable to you, consider it undesirable for others as well. If you do not want to be oppressed by any one, do not oppress anybody. Treat others as you wish to be treated by them. If the people behave with you as you behave with them, consider this to be a proper state of affairs. Do not say any thing without proper knowledge. Do not say anything, which you do not like to be heard against yourself.
