

Khalifa Ali bin Abu Talib - Testament of Ali

Access to God

After death, no apology will avail, nor any return to the world would be possible. Have faith that He Who holds the treasures of the earth and the heavens has permitted you to ask for anything you want. Whatever you ask for, you will get. If you seek mercy you will have it. You can have free access to Him. No functionary stands in the way between you and Him. Worldly goods are of little value. They are for you; you are not for them.
