

Khalifa Ali bin Abu Talib - Testament of Ali

Tests of God

Son, understand that He in Whose Hand is death has control over life as well. He Who brings about birth brings about death as well. He tests you by putting you to troubles. He is our final refuge. See that you do not fail in His test. Believe that the world is subject to the well-established law of God that in the world man is awarded bounty as well as subjected to trials and tribulations. The final award is made in the Hereafter of which we have no knowledge.
