

Khalifa Ali bin Abu Talib - Ali in the Holy Quran

References to Ali in the Holy Quran

According to the commentators of the Holy Quran there are numerous verses in the Holy Quran which have implied references to Ali. According to the Shia commentators there are as many as three hundred verses of the Holy Quran which have an implied reference to Ali. According to the Sunni commentators, the number is much smaller. Some of the verses which according to the consensus of the commentator refer to Ali are given hereunder:
