

## **Khalifa Ali bin Abu Talib - Anecdotes of Ali**

### ***He did not believe in the prognostication of the astrologer***

When Ali led his troops against the Kharijites at the Battle of Nahrawan, an astrologer advised him not to proceed to battle as the time was not propitious. Ali refused to act on the advice saying: "All knowledge of the unknown belongs to God. I cannot accept any person as a partner in the knowledge of God."
