

Khalifa Uthman bin Affan - Sermons of Uthman

Unity

Exhorting the people to maintain unity, Uthman said:

"Remain united. Let there be no dissension in your ranks. You were the enemies of one another. God blessed you with Islam, and you began to love one another, and became brothers. Maintain your unity. Do not break up into sections. Allah is happy with your unity, and exhorts you to refrain from disunity."
