

## **Khalifa Uthman bin Affan - Social Organization Under Uthman**

### ***Social revolution of Islam***

Islam revolutionized social life in Arabia. Islam created new social values. The Holy Prophet set the pattern of conduct for the Islamic society. He was the embodiment of all the social values for which Islam stood. The Holy Prophet disciplined the Muslims into a solid community conspicuous for its piety, bravery, unity, and high social and moral values. After the Holy Prophet Abu Bakr and Umar carried forward the mission of the Master, and promoted the social values of Islam.
