

## **Khalifa Uthman bin Affan - Life in Madina**

### ***Migration to Madina***

In 622 C.E. Uthman migrated with his wife Ruqayya to Madina. They were in the third batch of the Muslims who migrated to Madina. Their companions on the migration included Akasha bin Muhsin, Zainab b Jahsh, and her sisters Hamna and Umm Habiba. On arrival in Madina Uthman stayed with Aus b Thabit Ansari of the Najjar tribe. After some time Uthman purchased a house of his own and shifted there.
