

## **Khalifa Uthman bin Affan - Ummair and Kammil**

### ***Siege of the house of Uthman***

In spite of the magnanimity of Uthman, Kammil on return to Kufa continued his activities against Uthman. When in 656 C.E., a contingent from Kufa left for Madina, both Ummair and Kammil were included therein. When Uthman was assassinated Ummair and Kammil insisted that the dead body of Uthman should be mutilated. Years later when Hajjaj became the Governor of Kufa, he tried Ummair and Kammil for the murder of Uthman and had them executed.
