

## **Khalifa Uthman bin Affan - Treaty of Hudaibiyah**

### ***Khirash b Umayyah***

On the departure of Urwa, the Holy Prophet sent Khirash b Umayyah as an emissary to the Quraish. When he arrived in Makkah he was mar-treated by the Quraish, and the camel on which he rode was hamstrung. In turn the Quraish sent a detachment with the object of killing the Holy Prophet, and some of the prominent Muslims. These persons were taken captive by the Muslims. The companions wanted to kill them, but the Holy Prophet forbade the shedding of blood within the precincts of the sacred territory.
