

## **Khalifa Uthman bin Affan - Uthman's Letter to the Pilgrims**

### ***Help from the Provinces***

In his book Uthman, Taha Hussain has raised the issue why no help came from the provinces in time, when Uthman had made a formal appeal for help. Taha Hussain is inclined to the view that the people were tired of the long rule of Uthman, and they wanted a change. Taha Hussain has dropped hints that even Governors like Muawiyah who were devoted to Uthman deliberately delayed such help for political considerations.
