### ***Tidings of paradise***

The Holy Prophet gave the tidings of paradise to ten persons in their lifetime. Uthman was one of these ten persons called Ashra Mubashshara Over and above this, Uthman was given the tidings of paradise on three other occasions; when he purchased the "B'er Rauma" well and dedicated it to the use of the Muslims; when he financed the project for the extension of the Prophet's mosque at Madinah, and when he made a liberal contribution for the financing of the expedition to Tabuk.
