

## **Khalifa Uthman bin Affan - Uthman Disertations**

### ***Essential things***

Uthman held the following four things as essential: To associate with the worthy is laudable, but to follow them is essential. To read the Holy Quran is virtue, but to act according to its injunctions is essential. To visit the sick is meritorious, but to cause them to make their behests is essential, To visit the shrines of holy men is piety, but to be prepared for death is essential.
