

## **Khalifa Uthman bin Affan - The Trial of Ubaidullah bin Umar**

### ***Directive for the general publics***

Uthman issued the following directive for the general public:

"Know that whatever you have attained is due to Islam and following the injunctions of the Holy Prophet. If you are lost in the world you will betray the objective of your life. Follow Islam faithfully and do not introduce any innovations. See that the abundance of wealth does not divert you from the ideals of Islam. The extension of your dominions has brought various peoples within your fold. See that this does not lead to any differences among you. Remain united. Hold fast to the rope of God. May God bless you."
