

Sahih Al-Bukhari Hadith (Hadith 2.433)

Jabir bin Abdullah

Allah's Apostle came to Abdullah bin Ubai (a hypocrite) after his death and he has been laid in his pit (grave). He ordered (that he be taken out of the grave) and he was taken out. Then he placed him on his knees and threw some of his saliva on him and clothed him in his (the Prophet's) own shirt. Allah knows better (why he did so). 'Abdullah bin Ubai had given his shirt to Al-Abbas to wear. Abu Harun said, "Allah's Apostle at that time had two shirts and the son of 'Abdullah bin Ubai said to him, 'O Allah's Apostle! Clothe my father in your shirt which has been in contact with your skin.' " 'Sufyan added, "Thus people think that the Prophet clothed 'Abdullah bin Tubal in his shirt in lieu of what he (Abdullah) had done (for Al Abbas, the Prophet's uncle.)"
