

Surah 38. Sad

Asad: and [the tribe of] Thamud, and the people of Lot, and the dwellers of the wooded dales [of Madyan]: they all were leagued together, [as it were, in their unbelief:]

Malik: So did Thamud, the people of Lut and those of Aiykah (the people of Median) - all divided themselves into factions;

Mustafa Khattab:

Thamûd, the people of Lot, and the residents of the Forest.¹ These were ?all? enemy forces.

Pickthall: And (the tribe of) Thamud; and the folk of Lot, and the dwellers in the wood: these were the factions.

Yusuf Ali: And Thamud and the People of Lut and the Companions of the Wood; such were the Confederates. ^{4161 4162}
